PCA HAPPENINGS

AUBURN'S ARMY

Our student Auburn Banks was diagnosed with DIPG, a rare, highly aggressive, and difficult to treat tumor located in the brain stem. As Auburn heard the news she was not accepting it. She sat and said, "We will fight this. It won't be easy, but we will get through this. I had a 2% chance of surviving birth (based on her Turner Syndrome diagnosis) and look at me, 15 years later. I've been proving doctors wrong all my life and I won't stop now. God is not done with me yet!" Auburn's faith and strength is an inspiration to us all. In support and uplifting encouragement both campuses along with the entire community celebrated Auburn's last day of treatment on February 11th!

100 DAYS!

celebrating our 100th day of school
PCA style

Under the care and teaching of Mrs. Terri Bucksot 4th grade and up have begun learning to play the Ukulele
