

PCA HAPPENINGS

We've had an exciting month with Career Day, Fire Safety & Prevention, and our...

fun filled Spirit Week!

Career Day

Our Upper School "Career Day" was a huge success! Our students gained great insight about a number of career paths available through visiting the different stations provided by: Pamlico County Sheriff's Office, Pamlico Community College, Carolina East EMS, Rose and Rose DDS & Brian Smith DDS, Agriculture Extension Agency, Carolina Orthopedics and Sports Medicine, and Potter Insurance Agency. Thank you for your service.

Fire Safety

Our Lower School students enjoyed the fun kid friendly presentation on how to prevent fires with Mr. Jeff Cullipher & the City of New Bern Fire Department and a visit from the Grantsboro Fire Department and Mr. Monnie Golden with the awesome fire truck!

With the holidays approaching our students plan to share the love of Christ here at home and abroad. Our upper and lower campuses are collecting items for organizations in our community along with shoe box gifts through Samaritan's purse for "Operation Christ's Love". Both Campuses have scheduled "Oh, What a Glorious Night!" - a two night community event.

Pamlico Christian Academy Presents "Oh, What a Glorious Night!"

Date/Time: December 9th & 10th from 6:30-8:30

Place: Upper School Campus (Reelsboro Pentecostal Holiness Church - behind the fellowship hall)

Featuring a live nativity and our very own PCA carolers.

Some of our students will be selling hot chocolate, baked goods, and homemade ornaments.
