Give your child the best start with PCA!

It's a New Day! It's a New Year!

We want to welcome our new students and their families along with our new teachers and staff to the PCA family. We are grateful you have chosen PCA and pray for a wonderful school year!

PTO ROCKS

We have **THE BEST PTO!** Before school even started PTO was preparing for the new year. They provided a much appreciated "Welcome Back Brunch" for our teachers and staff. They also purchased some new playground equipment and assembled a terrific team to set it up!

SCHOOL SAFETY

During the first week of school, Sheriff Chris Davis and Pamlico County Sheriff's Department visited both Upper and Lower Campus to be sure we have the best safety practices in place for our students. Thank you for being committed to the safety of our children.

PCA CROSS COUNTRY

Our co-ed Cross Country team are showing what it means to be dedicated. They began training for meets before school started and continue to improve as time goes on. Go Mariners!

PCA VOLLEYBALL

Girls Junior Varsity and Varsity Volleyball have been practicing hard this year and enjoying some healthy competition with other teams. We are looking forward to a great season. Go Mariners!
